## Entrée

**Entrées are complimentary with all mains**

### Specialised Cover

The best quality hospitality insurance products, fresh from the South African financial services market, carefully selected for your enjoyment. Ask your advisor about our specials.

### Expert Advice

A generous portion of professional qualifications, served with well-aged insurance experience, and topped with a firm understanding of the hospitality industry. Simply irresistible!

### Personal Service

Good old fashioned dollops of professional care and courtesy, served personally at your table to your satisfaction.

### Competitive Premiums

A larger than expected selection of cover, wrapped tightly to fit almost any wallet - but perhaps worth paying a bit extra for larger portions.

### Ethical Business

The chef's speciality. Ethically sources business principles only - with a strong, uncompromising flavour of treating customers fairly. In our opinion, the best item on the menu!
